We will work hand in hand with you to ensure that all the arrangements are done in accordance to your wishes. Planning your reception can be a daunting prospect – but here we can help ease the workload. At Askari Game Lodge we fully appreciate this, and employ our wealth of experience, matched with personal service, to ensure you enjoy a day to remember.

During your initial visit to view our facilities we will discuss with you, over tea or coffee, the general details of your day. By the end of your second visit we will have covered all the arrangements for the day, from the approximate time of arrival through to the colour of the napkins. If you feel that further meetings are needed to resolve any uncertainties or problems, we will be happy to see you. This means that if you decide to use Askari Game Lodge you are safe in the knowledge that your reception is in the best hands, and that you are free to deal with all those other important wedding-day matters.
